

KÄRCHER

makes a difference

COMPACT, FAST AND SIMPLE.

Small-area compact extractor with a 10-inch cleaning path.

PROFESSIONAL | BRC 30/15 C

Get to know the faster, simpler solution for small area extraction.

The BRC 30/15 C is designed to productively clean carpet with less effort, resulting in time-saving productivity gains. In interest of simplicity this machine requires minimal service. It is lightweight and compact for ease of use and transportability. Compact deep cleaning solution.

1 Vacuum motor and floating brush

- High performance vacuum motor for faster drying time
- Extraction is no sweat
- Perform Alert™ wear indicators.

2 Control panel

- Simple operation

3 Vacuum shoe

- Wrap around soft-sided bumper for surface protection

4 Tank and handle

- Four-gallon solution and recovery tank for home or commercial cleaning
- Solution tank designed with no-mess splash back protection and protective filter screen to remove debris
- Comfort grip, adjustable handle with one-button activation and ergonomically positioned handle for balanced lifting
- Fold-down handle for easy transportation in any vehicle.

5 Large wheels

- 10-inch non-marking wheels
- Easy transport and maneuverability
